

And There Was Light

As performed by
Yusef-Khan Grotto Chorus
Music Arranged and Composed
By Dennis Chapman

And There Was Light is music for the First Three Degrees of Masonry to enhance these meaningful Rituals. "Silence is Golden," but it can also be defining and deadening to the beauty of our work. We have combined traditional and newly composed and arranged Masonic music to fill this void.

The book, And There Was Light, has over twenty songs and traveling music with the appropriate cue lines. The accompanying C.D. has all the music recorded for you in the order they happen in the various degree. With a push of a button on your remote you can restore the beauty, which for some Lodges has been lost. Also, And Let There Be Light may be used as a resource for Lodges who still enjoy music.

What greater gift can you give your Lodge than the gift of music?
